COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Allowance was issued in this application on June 25, 2009. The Notice of Allowance includes an Examiner's statement of reasons for allowance. Applicant submits the following remarks in response to the Examiner's statement of reasons for allowance.

The Examiner correctly states that the prior art does not disclose and would not have rendered obvious the combination of features recited in independent Claims 4, 13, 23, 32, 33 and 40. The Examiner's statement of reasons for allowance then lists a set of features related to a method for installing a printer driver on a computer. The listed set of features appears to correspond to the combination of features recited in independent Claim 4. Independent Claims 13, 23, 32, 33 and 40 are allowable for their own respective combinations of features.

This paper is being filed to clarify the record about the reasons for the allowance of the present claims.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC

Date: 8-28-09
